

29th Summer Universiade 2017

General Guidelines for Selection of Athletes

I. Selection Process

- Check eligibility of nominated athletes
- Prepare selection criteria & training plan (submit on or before 16 January 2017)
- Reserve venues for try-outs and training soonest possible
- Arrange meeting with nominated athletes and inform them about the selection criteria and minimum requirements
- Selection must be fair and impartial to avoid complaints
- Make recommendation list of selected athletes ,in order of priority, according to their sports achievements from July 2016 to April 2017
- Submit recommendation list to University Games Committee for consideration and decision. (Please note that not all athletes on the recommendation list will be selected)

II. Selection Criteria

- Sports achievements of athletes in international/regional competitions, local open meets & USFHK competitions
- Ranked two-third or above(top 2/3) among the total number of participants and participating countries in Summer Universiade 2015 and other international/regional sanctioned by SF & OC/AF/ IF
- Local ranking and world ranking (if any)
- Experience & exposure in overseas' competitions
- Athletes should achieve 80 % attendance in training
- Physical fitness of athletes
- Conduct and attitude of athletes
